<Notes >

- 1) "Period of residence abroad" refers to the period when the parent who works abroad accompanies the applicant and lives there with him/her.
- 2) If your employer doesn't have an official seal, please replace it with the certifier's signature.
- 3) The Certifier can be anyone in a position to verify the parent's employment.
- 4) Fill in the year using the Western Calendar.

- 5) As for the period of residence, please fill in the box of the status that applies to you. If you cannot write the expected date of return for some unavoidable reason, please fill in the box "Now residing abroad" and leave the return date blank.
- 6) If you need more space for entries, please photocopy this document and use another copy.
